Oak Park				22.4			45
Park Hill					23.2		35
Liberty						22.6	47

(Above Statistics taken from each school's report card on the Department of Elementary and Secondary Education website for the 2007-08 school year)

One of the scores given on the *PLAN* Test given to sophomores is an expected ACT Test score. Here is the result against those expected score and actual scores:

- 60% of the scores were better than their expected score
- 37% of the scores were exactly within range of their expected score
- 3% of the scores less than their expected score
