

School Supply List for 2017/18

Teacher: Ashby

Classes: Computer Concepts, Programming, and Web Development

Supplies: Pen and Paper

Teacher: Balistreri

Classes: Freshmen English I, Freshmen English I H, and Sophomore English II

Supplies: 1 three ring binder with dividers, 1 one subject, college ruled notebook, 1 composition notebook, 100 4x6 note cards with lines, 150 sheets college ruled loose leaf paper, 2 pens-black or blue ink, and a box of tissues.

Teacher: Bonadonna

Classes: Geometry and Algebra II Honors – Ms. Bonadonna would appreciate a box of tissues

Supplies:

Geometry: Students will need a notebook to be used exclusively for Geometry, and a calculator that has sin, cos, and tan functions.

Algebra II Honors: Students will need a notebook to be used exclusively for Algebra II Honors, and a calculator. You should expect to fill at least one one-subject notebook with class notes, examples, homework problems, etc. My suggestion is to bring a multi-subject notebook, or have extra notebooks on hand throughout the year. Our math department recommends the TI-83 or TI-84.

Students should also have a folder OR binder (your choice) that is to be used for their math materials only!!! You will receive many handouts, notes, returned quizzes, etc throughout the year and you will want to store these materials in an organized fashion.

Teacher: Bond

Classes: Biology

Supplies: box of tissues, scientific calculator, notebook paper, folders, pens, pencils, colored pencils

Teacher: Byers

Classes: Weight Training

Supplies: T-Shirt, Gym shorts, White socks, Tennis Shoes.

Teacher: Wilson

Classes: ACCP PreCalculus, ACCP College Algebra, ACCP Calculus

3 ring binder with dividers

Loose leaf notebook paper

Pencils

TI-83 Plus or TI-84 family of graphing calculators

Supplies for ALL freshmen for the following classes:

English, Geography, Algebra 1/Geometry, Religion, Computer Concepts, Health and Science

One Accordion Folder with at least seven sections.

Wide lined notebook paper

One notebook

Scientific calculator use for science and algebra (Scientific calculators have keys for SIN, COS, and Tan). The freshman science/math teachers recommend the following models: TI-30XIIB, TI-30XIIS, and TI-30XA. These are all low cost, usually available, and are easy to use.

Centimeter ruler (30 cm in length) clear, (see through) plastic are best!! (Science). You may want to buy more than one. Many freshmen lose or break a ruler during the school year.
